How would you like your rebate to be applied?

Please apply the rebate as a credit to my regular billing.

Please mail a rebate check to my home address.

The undersigned (customer) agrees that the above natural gas appliance has been installed at the above service address on Trussville Gas & Water's natural gas system. Customer understands that if above appliance was not installed at this location, the related credit will be removed from the account, which may cause an amount to become immediately due on the account. Trussville Gas & Water and their service personnel have the right to verify the installation at the location of the account credited for the natural gas appliance purchase. Customer understands that a licensed plumber or contractor should install the appliance in accordance with applicable building codes and safety practices. Customer further releases Trussville Gas & Water from any and all liability that may result from the purchase, installation and/or operation of this equipment.

How did you find out about our rebate program? _____

Customer Signature: _____

Date: _____

Internal Use: Trussville Gas & Water Employee signature

The rebate will be applied to customers account only after appliance is installed and a copy of the invoice or receipt is received in our office and attached to this completed and signed rebate authorization form.

Rebate request must be received no later than 6 months from date of purchase.
